

Federal Agency Expenditures By Contracting Office - ENERGY, DEPARTMENT OF

Federal Expenditures By Contracting Office for Agency - ENERGY, DEPARTMENT OF

Click columns to drill down to Bureau. Click categories to drill down both

fedmine.us

TIP 1: Expand plus signs in the Contracting Office ID column to view agencies using the contracting office for its procurement needs, click on the dark blue links "by NAICS" & "by PSC" to see contracts by those specific industry categories

TIP 2: Click directly on dollar totals for contractor listings, address icon for contracting office address, and the "County" link to view break down by County & Socio Economic categories for each contracting office

Note 1: Some address links may be empty, indicating they were not available in the information we obtained from the government

Note 2: This report contains Rotational Analysis by NAICS /PSC Codes, by County and Socio Economic Status, and by individual Contracting Office for Agency

Contracting Office IDs: ENERGY, DEPARTMENT OF	NAICS	PSC	Dollars Obligated Aggregated, Actual Figures					Address	County
